- ☐ True
- ☐ False

4. Talking on a cell phone while driving is prohibited by law in some areas.

- ☐ True
- ☐ False

WHAT WOULD YOU DO?

You are proud of the fact that you are a "multitasker." You are like this in your job. You have sprained your right hand and are right-handed!!! You are on your way home in busy traffic and expecting a call from the Doctor about the results of an important blood test. Would you take a call from the Doctor? What would you do?
